

Bay side waterfront property with the simplicity and convenience of a new home. Built in 2017 by Portside Builders, this is an opportunity to live on the water and enjoy Green Bay views with a move-in ready home. A wall of glass faces the backyard and water, featuring UV protected windows to keep you cool and your furnishings from fading under the sun. First floor master suite with well appointed tile shower just off the front hall and steps the large laundry room. Great room features a stone...
